“ I have very fond memories of spending my Christmas Eve at Donnie and Judy's house as a kid. I always enjoyed those family gatherings! Uncle Donnie loved kids, and was always up for entertaining all of us, whether it was riding four wheelers through the yard or loading us up with candy before sending us home! He was definitely a fun guy to visit when we were younger, and that is how I will always remember him. I am so sorry Judy, Michelle, and Riley. I know he will be dearly missed.

“ *I can still hear your laughter and see that devilish twinkle in your eyes. We've been ice skating partners, Kite flyers, school mates, and friends for as long as I can remember. We've been through thick and thin together and I will always cherish my many fond memories of you and your family. You're a good friend. We understood what growing up in a small town means. Good bye my fellow "Custer Parkian" until our paths cross again.*
