“ I've known Bernice all my life. Her mom, Rose Callahan was my great aunt, Mary Sheridan's best friend. Bernice and Jim were very excited about Braidwood's Museum. They donated a couple papers and a photo of Jim in his WWII uniform. I also knew her daughter, Rosann.

My sympathy to Rosann and all the family.

“ So sorry for your loss. I remember the banana fritters she would make for our parents and us at the card playing events. Good memories.

“ I've known Bernice & Jim, Rosann & Fran since I was in kindergarten, if not before. My parents lived behind them in Northcrest. The four of them were great friends throughout their lives. Food wise I remember, well all of her good cooking, but loved her polenta dinners & her Bagna Cauda. The last few years of her life brought Bernice & I closer together. My mom & Bernice would always talk to check up on how each were doing. After my mom passed, I took over the pattern with Bernice & I chatting about life & all the good times from the past. Loved when they were in AZ for the winters, which enabled me to get together with Rosann & Fran too. She was a wonderful person and loved her family beyond life itself. God Bless her. And to the girls & their families, death is difficult to those left behind, but rejoice that she is exactly where she wanted to be at this point in her life. As she would tell me " with God, His angels & saints and her beloved Jim". Rest in Peace sweet lady!
