“ My memories of Brad are when he was very young and at that time he lived with Toby, Heather, CJ and Mandi in Cookeville, Tn. They lived by their Grandpa Carl or Shine LaFever. We all became pretty close while they lived here. Lashay and I would go visit them ! The family also attended our church at the time which was Boiling Springs Baptist Church . They had their struggles like we all do, but they were a family and Toby and Heather loved their kids very much. I just remember that Brad, CJ, and Mandi were sweet kids and they all loved each other! We all grew apart because things changed but at least we got a chance to be a family for a while! Brad was taken way too soon from this life He will be greatly missed by everyone but my heart goes out to the his closest family and friends that saw him daily because it will be so hard for all of you My prayers will be continued for strength and comfort for you all. There is a dark cloud in your lives but look to God and the Bible and pray everyday. You will all forever have an empty place in your heart . My heart aches for each and everyone of you . I am sure Brad would want all of you to live on and keep his memory alive forever. I know there is nothing anyone can say to make your

heartache stop. Just know that there are people who care and pray for you and maybe some peace will come from that . Fly High Brad . Rest In Peace . Gone but never forgotten

“ Toby, CJ, Mandi, Destiny & Family

Brad always had the biggest smile and was so sweet to everyone. Even though it's been a while since we seen you, you were always happy to see us. The news was so hard and devastating to hear. I'm so sorry for your loss. Our thoughts and prayers are with you all.

Love Your Cousin Sue, Lou & Amber
