“ We are so sorry for the loss of your mom. No matter the circumstances, the loss of someone so close to your hearts is hard to take. I know that all of you have wonderful memories of the time you spent with your mom and grandmother. Leon and I are so sorry we could not be there in person to express our grief. He had knee replacement and was being released from the hospital and we could not get back in time for the wake. Know that our hearts are breaking for you and you are in our thoughts and prayers. All our love, Leon and Barbara Garrelts

“ There are so many memories that I dont even know where to begin, I miss you so much!!!From all the times on the farm when we were little to riding in the limo going to vegas to just watching dad and Aunt Gail and how they would horse around with each other. Aunt Gail, I never knew just how much I loved you and miss you now that you're gone. Why cant we ever realize that before it is too late.Val,Vicki and Randy, I wish that I could be there with you all and give you hugs to try to take just a bit of your grief away. But I do know that Aunt Gail is so happy now and pain free. And she is with Mimer'e , waiting for us all to come and join them. Sending you all my love and praying for God to wrap his arms around you all and comfort you... love you ,

“ I can never tell all of you how sorry I am of the passing of your mom and my friend. She will be missed by all of us. She always was talking about all of you, and worrying about each of you. God Bless each and everyone of you. It was so nice to see her be able to do things her way and be at such peace with everything. We will all hold those memories in our hearts.
Love all of you,
