“ I met Judy about 4 months ago to help care for her. Judy became a very good friend to me and my children Jeffrey and Kayla. She invited us in her home like family. She did crafts with my daughter and her grandson Joey played with Jeffrey. They all got along like it was meant to be. I can't share to many stories as her care giver because it became more natural to me that I was helping a soft gentle soul that became a very good friend and a pleasure to be with. My time there I realized how much Judy loved life, her children, grandchildren, her best friend Marge, and online shopping. She will be missed very much. I think every family needs a person like Judy . It was a pleasure to meet her, care for her and be her friend. I pray for peace and comfort for her loved ones.

Your friend always,

“ Moving here to Braidwood July 2016 from Colorado I knew Judy for only a short time but in that time all she wanted to do was to give of her time or anything she had to make us feel welcomed and to get my boys and Joey anywhere for some fun! A very special lady and will be missed. Keeping all those she blessed with her love in our prayers, Peace, Poulos Family - Adeline, Mike, Alexander and Victor

“ Judy and I enjoyed so many special memories together. Taking care of Judy was a privilege. I was in Judy's home to give to, help, and assist her, but I received as much from Judy in our times together as I gave to her. I will miss her. Praying for your family that God comfort you in your grief and give you peace that passes understanding.
