“ Our condolences to Vivians family. What a loss, we first met Vivian and Homer when we joined the Jolly Ramblers RV Club. They were warm, friendly and made us feel so welcome. Vivian was so special, beautiful in person, spirit and a joy to be around.

“ I have so many great memories of all your family. I grew up at your house, listening to records, sewing Margie a dress, going for picnics, making meatloaf, riding the bus and baking cakes. Our mothers were friends and so were our dads. We always had a laugh to share and your mother was a great and kind person. We have lost another Custer Park leader as she joins Vi Metzka, Lola Rieck, Thelma Corbin....our "Other" mothers. Your mom may be gone but her memory lives on in each of us who loved her. She will be missed; another chapter closed. My sympathy is with you. Her kids were her greatest joy and Vivian never turned away any kid who came to her house. I always felt like family. What a kind and gentle woman. My prayers will be with you during these sad times.

“ Although I moved away in 1980, you can't take the Custer Park out of this girl! I have fond memories of your Mom AND Dad. They were great people and helped make our little community what it is today. Your Mom was always so sweet. I know you all will miss her terribly. You are in my prayers.

“ To Vivan's Family,

Our deepest sympathy in the loss of your mother. Vivan was a beautiful person, a great friend. We shared many good times with her and your Dad. We hope your many happy memories will ease your sorrow. Would have liked to attend her services, but we are in Arizona until April 21st.

“ To Vivian, the most genuine person i knew. I had the pleasure of going to Grace Lutheran Church with her and enjoyed her encouragement and her presence. When she walked in the room she would light it up. I also enjoyed serving Vivian and her family at Fish Fry's at the VFW. Very sorry to have lost such a wonderful woman, but happy she no longer has to suffer. She will remain in my heart forever. Love, Felicia
