“ *We are her neighbors on the home place in Essex. We surely remember Adeline, Connie and Eddie of the Gersman family. They were good neighbors for us and ALWAYS loved when you stopped by and visited them. Condolences from the Horn family to all of your family*

My grandmother is Adeline's sister, which makes her my great aunt. I have never met her, but I have this very compassionate feeling about her. My mother, her niece, passed away in the same month a year earlier. My mother left us a book all about my family in Essex County. I pray so much that they are reunited in heaven. There is such a strong family resemblance.
