“ Many, many prayers and hugs to you and your family. Amelia was one of God's very special angels who he temporarily sent to you so you could enjoy the beautiful little one for as long as you did. She's now with her heavenly Father and running and playing with all the other little ones who left their earthly bodies much too soon. Amelia was SO blessed to have you, her family in her life. Amelia didn't know one day without unconditional love and for those memories, you will be very, very blessed in the days ahead. It was always a pleasure seeing your two beautiful little ones at Nathan and Liam's get togethers. God SO Blessed all of you with this beautiful little angel.
