Andrew was a great guy. I enjoyed having him on my team at work. I will miss his quirky sense of humor.

We became closer through his struggle this last year. Andrew continued to have a positive attitude and was always thinking of others.

RIP my friend. My deepest condolences to Andrew's family.

Andrew and I were close friends from work. He always made me laugh. We went to lunch together at least once a week. He loved to eat Spicy Thai Basil Rice and Indian Goat Vindaloo. Andrew enjoyed soda pop and candy too...especially Reese's Peanut Butter Cups. Andrew was a very caring and giving person. He volunteered by delivering "Meals on Wheels" to people in need on 3 different routes in North Austin. Andrew also helped take elderly couples grocery shopping by volunteering for "Drive a Senior" in the Austin area. He had a big heart and was very generous. He LOVED shoes and women! He was always buying new shoes for work. Shakira was his favorite!! Andrew was so snarky and tons of fun to be around. I will miss him so much. My deepest condolences to the Carey family.

Andrew was a great guy. I will miss his kindness, knocks at my cube, and dry sense of humor. Even though he was going through his illness, he would still check on me and make sure that I was alright. There was never a dull moment around him. He would always make me laugh. I am going to miss my friend. May God give the Carey family peace and comfort during this time.

Andrew's passing at 8:12 a.m. coincides with John 8:12, "When Jesus spoke again to the people, he said, "I am the light of the world. Whoever follows me will never walk in darkness, but will have the light of life." This brings me such peace.

“ *The first day I met Andrew was his first day at work at EMCON in August 2000, I just knew we would become friends. He had that smile, a twinkle in his eye and that dry sense of humour which I just loved. We became fast friends and I will always cherish our laughs and our talks. He left a mark on my life and one I will always hold very close. He was a wonderful friend and I will forever miss him.*

We definitely knew the same guy Heather. I could copy your memorial word for word just changing the work to URS and date to be August 2011. I remember him speaking highly of you often. I will miss that sense of humor, our trips to the movies and lunch at Kerby Lane. I am so glad I was able to accompany him to the Women's College World Series this past June. Not sure how I can make it to this year's Gala without him. RIP sweet friend.

Laura he had such a great time at the world series and text me often about what you two were up to and where you were sitting to watch the games, what you were eating, and of course just how hot it was. I am so glad he was able to get there in person with someone he cared about, he had watched it for so long on the tv. A great memory to share of a very special person. A day has not gone by where I am not thinking about him or reaching for my phone to text or call him. He was one of a kind and will be forever missed.
