“ So sorry for your loss. I have many fond memories of her at all of the family events over the years. Her flower gardens are the best in Wilmington as well.

“ So many memories from the house on Jackson st. to the big house on west river rd. up to her present day home her door was always open, even to democrats. It's so hard to think of any one memory that stands out because of the abundance that come to mind. I do remember the mothers scraping up enough change to send us kids to the Mar theater so they would have some serenity. Thanks Aunt Anne for all the good times growing up and later on as a grown up. " Happy Trails".
