“ We loved "Aunt Clifford" so much and are so glad that my siblings, John Webb, Jr., James A. Webb, Janice Webb, and I were able to visit her a few months ago at the nursing home in Marion, Illinois. We thought of her so often and will miss her enormously. We will visit her grave often and be sure it is tended. We wish we could have seen her more, but I have many fond memories of her from my childhood. Love, Julia Webb Parchman and family
