“ Kenneth, Roy and Patty,
It has been a long time ago, but my memories of both Dad & Mom are of the many times I we spent on the weekends visiting and playing cards together. Sometimes even going out bar hopping in town to dance a little. Clarence & I lived across the street and sometimes Patty would babysit for us with Mike, Bruce, Jeff & John. I loved your Mom & she was my best friend for years. I write this with tears for your loss and mine as well. I wish I could have visited the area more often and seen your folks more often after they moved to Braceville. Time goes by too fast and it is so hard to travel anymore. Patty, please write, I would love to hear from you! My thoughts, love & especially my prayers are for you at this time,
