“ I would like to send Condolences to the family for Barb and Dennis whom I was not aware passed away. I worked with Dennis and car pooled with him for years. Always enjoyed his sense of humor I only met Barb at his home occasionally. I know how much Dennis thought of her. May they rest in peace together. Rick Zilm

“ Barb was my mother-in-law and an absolute saint, and I've been saying that for over 15 years. One of the most honest, selfless and sweetest souls you would ever meet in your life. Never saw her upset, always had a smile on her face regardless of the situation and there was absolutely nothing fake about her, she was the real deal. To me, she was literally an angel. It extremely upsets me that she is gone, because I personally believe it's not supposed to be now and it is not fair. But in the big picture of things, her and Denny are together again and that love continues on together forever. Miss and love you both; Denny, Barb is coming home to you where you are both young again, happy, loved, no pain and together for all eternity in constant sunlight. please try and find my pups for me and look after Max, Bear & Jasper. Denny can have crazy Jackson to go hunting with, lol. until we all meet again, Your "son"-in-law Josh Ryan
