“ To the entire family; Betty was one of the nicest, sweetest people I've ever known. I loved seeing her at work (PPC) always with a smile and a kind word. She will be missed by all who knew her. And especially to Debbie (Bunting), my heart aches for you. Your parents had a real love affair going; I think of you with love....may she rest in peace.

“ *It is with a heavy heart that I write this memory. Betty and Don are among my favorite parents of former students while I taught at Braceville Elementary. I recall how easy it was to work with both of them to make decisions to improve their child's education. It is a golden pleasure that I call Betty a friend. May our Lord bring you all peace as you mourn Betty's passing to eternal life. My heart goes out to all of you. Peg Decker*

So sad to hear this news, was with a heavy heart that I added this to our family tree.

She was a very sweet lady and one of my dad's favorites.

Always had a smile and time for a quick chat, I was always just one of those Haga girls, she could never remember which one.

My deepest sympathy to all her family.
