“ Bev was the nicest nurse and we all loved her dearly. She and my father Bill Johnson always talked about making wine and she came to our house one time to learn how he did it. She was Dr. Richards' right hand girl and the office was her domain. We all loved her and we wish her God's blessings and that of her family. She will be missed. Her sense of humor was always the thing that made it good when you visit the Doc. she made you feel safe. Bob and Rena Snyder (daughter of Bill and Marie Johnson of Essex.)

“ I am 65 now, but still remember Nurse Bev comforting me as a child when I had to get a shot while visiting Dr. Richards' office. Over the years I almost looked forward to those visits because she was so pretty and kind to me. I still remember her and wanted to share this with her family. May she rest in peace and feel the comfort she always gave to others. My thoughts are with her family today. ~~Donna (Metzka) Fitzpatrick

“ I worked with Bev at SJMC when she emerged "after retirement" as a new RN. She was so full of energy and wonderful to work with. Her passing surely leaves a void in this world.

“ Bev was the first nurse I ever remember. She always took care of me and my sisters whenever we visited Dr. Richards office in Wilmington. She also was the one who acted so quickly to get my father to an ambulance when he had his heart attack. She was always so cheerful and comforting to all.....a wonderful nurse and person.

“ I remember Bev from when she shopped at Super Valu in Wilmington, IL. It was a pleasure to wait on her as she talked with Reida Craterfield her friend. It has been many years since I have been in contact with Bev, even though I passed her house on my way home. She was such a delight to know and share our *health issues* over time. I still hear her laughter, she leaves a void in this earth, may she rest in peace in God's love. carol buente
