“ *You were a very nice and sweet lady and you will be missed. I remember when I would go to the doctor's office. And the receptionist, he was so nice, and when you looked at McDonald's, you always gave my son French fries*

“ *Great friends throughout the years. She was so good to my parents, my kids and me! Great times at Dr Milton's office sharing many inside jokes. She provided my kids only Christmas one year. She was always giving. We took a road trip and she came to visit in Arizona. We always found time for each other! She will be so missed!♥♥*
