“ *Brittany Rae Peterson was a Young, Intelligent, Beautiful and free spirited young lady. She loved her daughter Kennedy dearly. Brittany was very creative and had a very keen sense of style with hair, nails, clothing and expressed this daily.*

Brittany had a very good sense of humor and impacted a lot of people in her young life. Many people that knew her wanted to be around her.

I had an opportunity to spend time with Brittany when she was growing up and am very grateful for that.

You will be missed Brittany! I love you and know that you are looking down on us with that beautiful smile.

Rest In Peace Brittany.

*Love,
Michael*
