“ *Bryan was the hardest working man I've ever met and one of the funniest too. He was a hell of a father and a heck of a sportsman. He wasn't afraid to tell you how he felt and he'd give you the truth straight as an arrow. I can admire that in a man. I will miss him dearly, as will a LOT of other people. He provided all of us with great, lasting memories. Apparently God needed side walks poured on the side of them streets paved with gold.*
