“ *Cj. You will always be my forever. I love you I miss you this month is always the hardest for me.*

Your baby boy misses and loves you so much. He still watches your slide show on YouTube to this day. He asks to see your pictures every day. He sits in his room and talks to you and tells you about everything. I pray you are with him and hear every word he says and watch over him. We miss you 3 years is too long I wish you were here. Our baby has grown so much and you'd be beyond happy with how much he has accomplished.

“ *I was in disbelief when I heard this. We dated about 8 years ago for a short while. We had the best times together. He was always so full of life and had such a young spirit. He was always out to have a good time. Good hearted man. Prayers for him and his family and his son. God bless you all. He will be watching over you all.*

C.J. Was always kind to me. He was a talker, he was skilled in many things tattoos were his passion, along with four wheeling. He has a close net family who love him unconditionally, and will miss him very much. This very young man knew lots of people who loved him. A fun loving guy who's life is ended in a blink of an eye. Sorry to see you go C. J. You will be missed.
