“ *We lived next to Carl and his family for 30 years. He was a neighbor everyone would like to have living next to them. Carl and I would talk over the fence like Tim and Wilson on HOME IMPROVEMENT TV show and had 3 boys just like the show, he loved his family. Sandy would come out tell Carl supper was ready " we would have to solve the world's crisis at a later day." Carl would be out side and wave at us whether we were coming or leaving just by the sound our vehicles without even looking to see who it was. The wonderful stories of living next to Carl for that many years are endless. We loved Carl and he will be truly missed by everyone.

“ *Sorry to hear of Carl's passing. I worked with Carl (Wolfman we nicknamed him) in the 80's at the Fleischmann's Plainfield bottling plant. I remember his laid-back, easy-going ways and always enjoyed talking with him. My condolences to his family.*

“ *Carl, myself and husband seemed to like "old" things. We would see him at various flea markets, garage sales and even auction. Many memories here in Shadow Lakes for Carl. He was knowledgeable in many ways. Love his hub caps on the fence. Rest in Peace Carl.*

“ *carl was in kinner garden . i went with him. i went with him one day. i was born 4/5/45 so we were only 8 months apart. going out to the miners club and swimming was fun for little children. sometimes we would have a picnic. carl was quiet but a deep thinker. if everyone had a few of his good qualites the world would be a better place to live. rest in peace you will be missed by those who mmlove you. janice underwood lawhorn thomasville ga 31757*
