“ *Best Friend,*

*It all started with a phone call REMEMBER. Our friendship grew thru the years. Our families shared meals, we shared talks and secrets. HA! HA! We both agreed we are not only best friends but sisters of the heart.*

*REMEMBER we canned together, played cards, had crossword puzzle races, and coffee after coffee.*

*REMEMBER the kids riding our horses on the farm and us riding bikes. OOPS down we went.*

*We all enjoyed you playing the piano and the guitar playing and singing with you and Bob. Spanking peeking around the doorway. Then you and Kevin was thinking of marriage. A handsome guy in uniform was home on leave. It was Bob. He walked you down the aisle to become Kevin's bride 26 years ago on December 22.*

*You both had a extra special marriage. Both of you so devoted to each other always. Then came the strokes and trouble walking.*

*Only one doctor discovered you having MS. You suffered so much and so long. Kevin was with you thru it all so devoted.*

*Kevin, Julie , and Penny took such good care of you for as long as they could. With Julies health problems she took care of you anyway.*

*Now you are free of pain with your loved ones and ours. We will see you later when our tasks are done. So for now my friend, my sister of he heart and daughter. REST IN PEACE IN GODS GARDEN OF FLOWERS.*

*SO LONG MY BEST FRIEND, MY SISTER, AND OUR DAUGHTER.*

*Mom and Dad Marshall*

“ To my sister in law Carol,  
With your passing a black hole was left behind.  
And in time that hole will slowly close.  
You will forever more be without pain.  
You will forever more walk in the garden of  
heaven.

The laughter, the love, the caring you have sowed me will forever  
more be in my heart.

With loving arms I say goodbye and let you go to the wide open  
arms of our loving father.

I don't mourn your passing but rejoice in the celebration of you  
joining your loved ones in heaven.

So goodbye and love for now my friend.

Puddin says to Mrs. Potatoe Head that will be with each other  
someday.
