“ This is a lady who I will always love! As a young teen she was always so kind to me. Growing up is not always easy... but her smile, love and acceptance meant so much to me. She had a true love for others. She is a role model in my mind to leave to the next generation. I know how much she will be missed by all her family, but I also know that GOD takes those he needs NOW. My heart is with you all as you experience a new heavenly bond with her.

Love,

“ *John & I send our deepest condolences for Bill, Greg & Jerry & their families. We enjoyed our time with our church family in Wilmington. I especially enjoyed teaching at Christian Life Academy with Carol. I was blessed to have her as a friend and coach the boys in basketball at school. You make bonds with people and those are never broken. I learned a lot from her during those years. She's smiling down on her family & friends with God. She will be missed by many but with lots of memories.*

“ My heart goes out to all of the family and am so so sorry for your loss. I will never forget all the great phone conversations we had. We talked about cats even though I am allergic to them and we talked about our dogs and funny things they did. I will always remember going to your granddaughters ball games with you and how proud you were of them. We talked about the boys and their love of fishing. we shared so many phone conversations and I am truly going to miss them. One thing we shared was the love of our Lord and Savior Jesus Christ and would share our church service lessons. We laughed, cried and shared the tough times and good times. I am so thankful for the times we spent together in person or on the phone. I love you.

“ *I am so very sorry, Bill, and family. I will always cherish the time that I spent with Carol and friends when our children were young. She was so caring and thoughtful, and taught me the importance of showing love to our families. May you all know her love for you was strong, and let that be consoling to each of you.*
