“ *Our sympathy to all the family!*

Thanks to Charlie, the Braidwood Area Historical Society has a very large picture of the entrance to the Joliet Arsenal Administration Center on display in our museum. He brought it to my house before we even knew we would have a museum. He worked there for 31 years and 8 months when he retired. The boss told him he could have it.

Charlie was a friendly man. Each time he saw me he reminded me that my mother was his school teacher when he was a young boy. She was his favorite! He probably says that to all the daughters of his grade school teachers!

We hope the family will give us a good photo of him we can incorporate in the display.
