“ You were the glue that held the Lambert clan together. You always knew what everyone was up to and how they were and where they were. You were a so full of our family history and so much will be lost forever. Charlotte, you were like a second mother to myself, Richard, Charlene, Janice, Harry and Tom. And you were one hellva sister. Thank you and rest in peace. Love, Marilyn Lambert Scholari

“ When Sandy and I were young we got to go and spend a week every summer at Aunt Charlotte and Judy we would have to make a trip to the local store every day to get a loaf bread and there was always enough money to pay for 3 pop cycle to eat on the walk home. Then there would be a ice truck that came down the street and we would run out and the ice man would give us a chip of ice to suck on. I have hundreds of memory of wonderful times with Aunt Charlotte and I will cherish them for ever. She was truly One of a kind and she was ours.

“ I saw Aunt Charlotte a lot when I was growing up. There were a few times that Nancy and I were lucky and got to spend the night. She made a delicious apple pie in a cake pan or sheet pan and she would always put frosting on it. She would ask me if I would like a piece and I would say ``I guess`` and she would always tell me ``yes or no.`` If anyone needed anything she was there. Rest in peace Aunt Charlotte. Love you.

“ Aunt Charlotte you took care of so many including your brother and sister at such a young age when your Momma died. When Mom and Dad decided to move to South Carolina you let me stay with you awhile so I could continue going to school. You were there when I thought my world was falling apart. I loved your laugh and your honesty. Rest well, Love Kathy
