“ Cheryl, Beverly Sorenson, Jeanette Hillman and myself attended Goodfarm schools together. We had some many good times in those 8 years. The four of us went on to Gardner High School. We were in so many activities together. I remember riding the bus with both of you, Bruce and Gail. I know that this is hard time for you; please remember that she was loved by many people that she touched.

“ Cheryl and her family lived across the road from our family on the Gardner Blacktop. I remember Cheryl babysitting for us and holding up the electric fence so we could get crawl under it. We were all wet from swimming in the pond! She got quite a surprise, it was still turned on! Ouch! Linda Pfeifer Basham

“ My husband was a classmate of Cheryl's and we both considered her as a great friend. She was someone who always wore a smile and was kind to everyone Through the years we lost touch, but her gentle ways will always remain a fond memory for us both. “ I'm writing on behalf of myself--Barbara (Knezetic) Yohnka and a former co-worker (Lois Furlong) of Cheryl's from GMAC. I worked with Cheryl in the early 1970s. She and I worked in accounting, and Cheryl, among other things, held a variety of positions. Cheryl was just a fun person to be around. I always enjoyed her company. Like all of us, she had her problems in life but managed to come out even better than before. Lois continued to work with Cheryl at GMAC until Lois retired several years ago. Our condolences to Cheryl's family (Gail, would love to hear from you!) on the loss of your wonderful daughter. She will be missed.
Sincerely,
Barbara K Yohnka

Cheryl was a co-worker but also a friend for me at Cat. She had a laugh that was infectious. She has been missed since leaving Cat and she will now be missed in life. My deepest condolences to the family.

Cheryl was a friend to all. She was always laughing and making a joke or two. Having her as a friend was a blessing. God be with you ... your work on earth is done.
