“ *I'll never forget when I first met this beautiful woman of God... she was filled with so much joy, with smiles that were contagious and she radiated God's light everywhere she went. Christine was a beautiful soul and I loved hanging out with her... she was such a delight to be with. I'll cherish those memories for always & ever. Miss you deeply. I thank God that He brought our paths together and I will forever be thankful for Christine's generosity and priceless humor. Love you.*

“ *Christine filled a whole I had and I love her for that. I am so thankful for all the time I was blessed to spend with her these last 3 months especially. To describe Christine in 1 word it is LOVE. You touched so many lives Christine and they will never be the same because of your love. In your memory John will be making a pineapple upside down cake and you know the inside joke to that. I will miss you dearly but I know I will see you again and that is comforting.*

“ Chris was so sweet and was so supportive of Bill, especially when he performed in murder mysteries with Jude Pohl Productions. That's how my husband and I met them. She fed us and was always the one cheering and applauding the loudest at every curtain call. I'm really glad I got to know her and call her friend.

“ Christine was the first one to make me feel at home in church. I was new and terrified and she would always hug me. She didn't even know me but she hugged me anyway. I love you momma and I'll miss you, but I will see you again. Until then....Karla Mc.

She was my first friend at Ignite. She had a way of making you feel special. Her love radiates like no other. I'm sorry for her family as she was a strong source of strength. And little Bree I pray for her during this temporary time of earthly loss. God bless Jen I cant even imagine. What I can imagine is Christine wrapped tightly in the arms of our Lord and Saviour. Heaven is rejoicing loudly!!!

Christine was truly blessed with a joyful giving spirit, and she was such a giving, thoughtful person. She gave the best hugs. My heart breaks for her whole family right now. Heaven has gained a beautiful angel. Rest in peace dear friend.
