“ Chris was a great, great person. Smart, talented and funny. He started as my electrician and ended up my friend. I think about him every time I turn on the lights in my shop. I miss him bunches. RIP my friend.

I was blessed to meet brother Chris at church. He was full of faith and it was a pleasure to watch his walk before the Lord! Chris was an encouraging person to be around! The times he shown the brightest was while he went through the incredible health challenges- even while he was in pain and didn't sleep well he longed to be in church to worship God and fellowship with the body of Christ. I know I am a better person just by rubbing shoulders with him in ministry. Chris is an example to all of us that faith can be maintained even in the hardest situations. I know I'll see him again in glory some day!! The Mendoza family sends its warmest condolences.
