Tribute Wall

“ Chris was a friend of mine. We went to high school together and played football and basketball together. He was a very good athlete. What stands out most to me about Chris was that he was kind hearted and always smiled and enjoyed life. And yes, he loved, loved to fish. I know we lost contact with each other over the years, but he was still my friend and it saddens me to hear of his death. You will be missed my friend. May God comfort the family.

“ *Chris was a great friend. We didn't speak very often after we quit traveling the PVA Bass Tour but, we knew each other was there if we needed anything. He actually drove down to Alabama for my marriage on Lake Guntersville and we got to hang out for a couple days. I will miss him.*
