“ Alison & Dailynn, I'm so sorry for the loss of your mother and grandmother. While I know you may have heard countless of "I'm sorrys," I am at a loss for words- as I know how much you both loved and cared for Cindy, as she meant so much to both of you. I am sending you both & your family all of my love & the warmest of wishes. Sincerely, Hannah Kate

“ Cindy was beloved by Habitat for Humanity volunteers and our office staff. We had the pleasure of working with her through the home's construction and for 10 years as a homeowner. She was friendly, humble, and loved her family so much. May she rest in peace.

“ *I remember as a kid growing up, standing at her kitchen sink having to do dishes and we had to make sure we bribed Dusty to take his meds. The ol meds between smarties trick always work. From hiding behind your couch (that u didnt even know I was snuck in your house) to learning all about nascar (which I still dont watch). You were always there for me. I will always love and miss you and cherish the memories we had together. I love u Cindy. Fly high beautiful*

“ *I am so very sorry for your loss... Cindy and I used to car pool together when we worked in Downers Grove at Wescom... We shared a lot of laughs, leaned on each other at times when one of us was having a down day. We were able to keep in touch with each other thru facebook...
Go in peace my friend.*
