“ I was fortunate enough to have Danny in first grade many years ago. He will always have a special place in my heart as such a sweetheart of a student and a joy to teach. I was sad to learn of his struggles but pray he is now at peace with Our Lord. Cling tightly to happy memories and please know that others (even those from many years ago) remember Danny with a smile and fondness. May God bless you in the days to come. Please give his young son a hug from me, Danny's first grade teacher! Mrs. Lee Roberts

Great memories of Danny coming to our house to play with Kelli when he was just a toddler, then coaching him and Kelli in soccer, always enjoyed chatting with Danny when we would see each other in town. May his soul have eternal rest.
