“ We are so sorry for the loss of Danny. We remember fondly the times that he and Mary Ann welcomed us to their home for extended family gatherings. From the moment we arrived, we were greeted and treated like immediate family. The conversation was easy, and the atmosphere relaxed and comfortable. We remember turkey in the fryer and the kids playing in the sand and water at the camping area in Braidwood. When parting, it was always “we’ll have to do this again soon.” Danny, we’re sorry that the reunion will have to wait – please save us a seat until the day we can say “hello” again.
