“ There are so many memories of good times that our family has spent with Denny .We enjoyed playing cards and his humorous remarks kept us smiling throughout the night . He was a person of strong convictions and lived by them . His involvement in the fire dept and other services was just one example of his thoughts of helping others. One thing in particular how he touched my life so , was even after his brother went on to me with the Lord ,he was faithful to sends cards to me for ever occasion .that action really touched my heart, to k peso robe was thinking and caring about me. Denny did so many acts of kindness. it would be hard to list them all, but they are imbedded in our hearts forever ❤️ Your sister(in-law) Doris
