“ *Hi Rocky and Peggy, I was very sad to hear of Uncle Dom's passing. Many many great memories of the farm and creek in Custer Park. I am so glad I got to spend a little time with him this past summer. My heart is heavy today thinking of you all and my thoughts and prayers are with the entire Falletti family.*

“ My family and I lived less than a mile from Dom & Virginia out in the country. I went to school with Dan & Tom in Reddick. I also know Teri & Jim although they were older than me but I still knew them as I spent many of nights at their house on the Buckingham road. The best memory I have of Dom is how he always came to visit my Dad almost every early Sunday morning. He would stay and visit for a couple hours and be on his way. You always knew when it was Sunday. One more memory I have is Dan, Tom & I were playing in his corn bin full of corn and we were just little kids jumping in from the top and he caught us and we got scolded good because he said we could have sunk under the corn and not been able to get out. At the time I thought what was that about but now as you see so many people that have suffocated in corn bins I realize he was just protecting us from danger. I know how much he cared for the kids and was a great father as well as husband... The family has my deepest sympathy...
