“ we are saddened to hear of Dons passing-I remember him and the family from many years ago-he worked with my dad (Joe Michalowski ) on many jobs-my dad would tell us how big of a guy he was he could grab a bundle of shingles and toss them on the roof faster than a machine could do it-they used to come visit our home as a young family and my sister and I would pass on our outgrown clothes to their girls and i remember how excited we all were to do it!! fond memories for sure-our thoughts are with you all.
