“ *Chrissy, Gina, Jason and Families,*

There are no words to adequately express the depth of my sorrow over your mom's passing. Sorrow is too small a word for what I'm feeling and you are going through. When there are no words, I hope you find some comfort in knowing that so many people are thinking of you and holding you close in their hearts.

I loved your mom. Even living so far apart and not seeing her for years at a time, there was a special bond between us that I will always treasure.

Donna was so blessed to have the three of you, her four brothers and all of the extended families!

Take care of each other and know we are thinking of you and praying for you as you go through the difficult days ahead. We are here for you always, whatever you need, no matter what.

Love,

Patty

“ Some of my best memories were spent with Donna and her family. She always had a warm smile and a kind word. When we visited, Donna always made us feel right at home. I will forever remember her bustling kitchen, filled with so much love and so much food!!! She always had more food than any of us could eat...and coffee... there was always coffee! Whether it was 7 am or 10 pm, the best conversations were over a cup of coffee! We will miss Donna so very much! Love and hugs to Chris, Gina, Jason and their families. We love you and are praying for your strength! 💕💕

“ Donna Mary lit up every room she was in. She was so kind, caring and compassionate, yet was strong and fierce when it came to family and water balloons. She will be greatly missed, but finding comfort knowing she is reunited with Gerry and her parents. Sending love and prayers, Michael, Kristi, Brianna & Noah Szejbach
