“ Donna has been on my mind the past couple of days. I worked with her for a couple of years at Four Seasons Liquors 2000-2003, but I've never forgotten her or the time working there. During trips back to Morris, I'd always see if she needed help and of course she always did. She was a great, hard working, manager who was always willing to give a person a second chance. Great sense of humor. She loved those boys more than anything in the world. I hope they knew and appreciated how much. Get some well needed rest, Donna.
