“ *My Great Uncle Earl always asked everyone, how they were doing? Each and everytime he'd greet a person. He genuinely cared, didn't just ask as a formality. He'd listen and really want to know how you are and what you've been up to. We became wonderful friends when he realized I like coffee almost as much he did! He liked having fun, playing cards, smoking cigarettes, drinking coffee and laughing! You'll be missed and loved always! God bless you and may angels wings carry you home! Your loving neice, Rita Marie Saltzman Blackwell*

“ Dear Vicky and Cindy,

*I remember your Dad well. Living across the road from Rosa and Grandpa Day I saw him often. I remember him as a sweet and gentle man with a big smile. I know your heart aches as mine does and I am sorry for your loss. He will be with my Mom who also passed on April 19, 2012.*

“ *My condolences to the Saltzman family. I took care of Earl often during his stays at St. Joe's and came to really care about him during those times. He was a great patient and an even better person. He always had a joke or a card trick for me, even when I wasn't his nurse that night. I am so glad that I was lucky enough to care for Earl. I will miss him terribly.*

*Sincerely,
