*Eileen and I were in school together from 1953 in 3rd grade when all of the one room schools were consolidated. Miss Hall was our 3rd and 4th grade teacher. I lived on a farm west of Custer Park. When we were in the 5th grade our teacher Mrs Steen from Wilmington had Janice Grigle
Janice Clark
Janice Underwood.
She decider to call Janice Eileen because it was confusing to have 3 Janices. She wanted to call me Marleen but I wouldn't have it. We all got along just fine. Eileen always was dressed pretty. Was cheerful. Had many friends. We went all the way through high-school together. She was always a friend to many.
I know her family misses her.
Janice Marleen Underwood.*
