“ *Every now and then you meet someone who just touches your heart. I had the honor of meeting Elvera when I worked at Heritage Woods in Dwight, and she was that person for me - she absolutely stole my heart. She always had a smile, a sweet word, and even when she didn't feel well, she did her best to maintain a positive attitude that I found inspiring. She was quick with kindness and never complained. Such a sweet, beautiful lady. Go with God, Elvera. Thank you for brightening my day every time I saw you.*
