“ My memories with Forrest were short but I will forever remember them! I had the greatest privilege to be able to call him my step-grandfather in the short period of time that I knew him, and I will forever miss him greatly! It feels like yesterday when I was making cookies at Dad& Debs house during Christmas with Wanda and you would always try to sneak another cookie or a few chocolate chips, even though you weren't supposed to. Your great sense of humor I will never forget and your laugh will always replay in my head. My last memory with you was in BC in 2011 and that week will always mean a lot to me, because those were the last memories I will ever have with you. I am so honored to have had him in my life and I will cherish every moment I had with you at my Dads. I am so grateful for the time spent together with you and everyone& you will truly be missed. Keep looking over everyone Forrest. I will miss you forever grandpa<3 rest easy up there, see you someday soon<3 xox

“ *Dear Daddy, I just want to see your smile one more time, to hear you laugh one more time, to say, "I LOVE YOU DADDY", one more time. I guess that's GOD's way of saying that your tired. You will never have to feel that pain again, you will be able to rest easy now. Just always know that I am who I am today because of everything you have done for me and taught me. I can't thank you enough for that! My boys are the men that you taught them to be, thanks for always being the super grandpa to them.*

I woke up this morning, and you were in your chair resting, I was wishing you were there in body, not just in spirit. I miss you sooo MUCH! I guess this is GOD's way of saying it's Darrold's turn now. Now you and Darrold can have your Father/Son relationship, and I know now, that neither one of you are in pain. Tell Darrold Hi from his "bratty little sister". With all my love to you both-
Love, your sister~deb
Love always, your daughter~deb

“ Dear Daddy, I just want to see your smile one more time, to hear your laugh, one more time, and to say "I LOVE YOU!" You were truly the "BEST" Dad ever, and I thank you for that, I am today who I am because of you. My boys are the men they are today, because of you! You have shaped their lives in so many ways, you have been a blessing to us sent from our Heavenly Father, I thank our Heavenly Father that he gave me you as my dad. My rock, my daddy, my best friend when I needed one, a warm hand when I needed it, and the hard hand when I needed it. You are so GREATLY missed, but I know you will never have any pain again, but I can still hear you in my mind. You were in your chair when I woke this morning sleeping. I was wishing you were there in body as well, but I guess this is GOD's way of telling me, you were tired, and with that being said, Rest in peace daddy, you certainly deserve it! Just always know how much I LOVE you. Tell Darrold HI and have that relationship with him, that you never got to have, it is his turn.

Love to you both- Love always, to you Darrold- your sister ~deb
Love always to you daddy- your daughter ~deb
