“ Sincerest condolences and much love coming your way. A child should never pass before a parent. This is one of the most hurtful and devastating experiences ever. It eventually becomes a little easier, but the pain never goes away. Love, Raynella and Clarence

“ When we were kids, I babysat the boys for LeeAnne & Denny. Gary amused himself by chasing me around the house with a garden snake! I was terrorized and he was laughing so hard! A day I will NEVER forget!!

May you be in peace Gary 🙏❤️😭
