“ *Was just thinking of Geraldine a couple days before she went Home...My name is Kathy Jones and I was one of her home care nurses prior to her going to Joliet. She loved life and her family....loved hearing her tell her life stories and hearing about her experiences...she had a great sense of humor...I feel so blessed to have been part of her life...I have missed her dearly and wanted to see her and Emory...but "life" got in the way, with work and family....love and miss you, Emory, and I'm thankful she introduced me to her children and grandchildren. Love you Geraldine...you were an amazing and strong woman<3 Lighting this candle in memory of you, Gerrie.....;*
