“ Dear Sharon, Mike and all family members of Gladys Perino,

I was moved to contact you when I read of your mom's passing today, two days after her funeral. Had I known on time, I would have made sure to express my condolences in person.

I have often wondered how she was doing, such a sweet and loving person, and I have thought of your family many times over the years.

When she reached her heavenly home, I'm sure Cecil and my mom (Margie) were part of her greeting party.

I, also, had forgotten your father passed the same year Cecil did, until I read your mom's obituary.

You and your family will be in my thoughts and prayers. May God's love bring you healing and peace during this time. I have found He is the only One that can ever fill the void left by someone we love so much.

*With Loving Sympathy,
Carolyn Russell*

“ Fred, Marge and Matthew and Joseph Frederick wish to extend their sympathy to the family and relatives of Aunt Gladys. She was such a joy to be around. I remember the times that I would go out with her for lunch and shopping. We had alot of good times. She will certainly be missed! She is remembered by all of us fondly.
