“ *I have known Gloria since I was eight years old, she was like a second mother to me when I was young.i don't remember how it started but I was sitting on her steps. She would open the door and my sister and me went inside and played with Angie. Gloria.always open her heart to us. When we moved to Braidwood, Floyd and Gloria happen to move.to Braidwood. I use to sit for them went they went out. My mom use to go there and visit sometimes and have coffee. Gloria use to come over and visit my mom. When my mom got sick Gloria came and prayed for her. I was very sad to hear of her passing. I am sending Love, Thoughts, and Prayers to Angie and Sherman and your families during this though time. Kathleen Baker. (Kathy Dillard - Knott}*

Will never forget her smile, voice and sweet caring soul. I'm thankful for the time I was afforded to spend with her and her family. Praying for Sherman, Angie and all the family and friends to feel her love and find peace in knowing her love for the Lord and taking up her perfect form with him and Floyd now.
