“ Dear Margo and family, Our thoughts and prayers are with you. We did not often get to enjoy Harold's warm, quiet smile in recent years, but we will now miss even those few opportunities. We are thankful for his life and know he will be greatly missed in yours. Love Kyle Fisk and family

“ To Margo and family----If memory has the dates right, In January of 1963 (my first year in the work)---Wm. Peterson and I was having meetings in Kankakee when Richard Hagen brought Harold to the first meeting. Those memories have been going through my mind yesterday and today. I am very grateful for the choices that you and Harold made at that time. He is not sorry and you won't be---HOLD FAST. I wish I could be up there this weekend---but my health conditions limit my travel. Best wishes at this of sorrow. Your brother in Christ----Kenneth Gooding.
