“ Rob, Jordan, Norbert, Kurt, Dieter and Tom are all in my thoughts and prayers. Heidi and I had some great memories together. There was this one time back in our early 20s when she suddenly decided we should drive up to Chicago (from Gardner) and have some fun. And so we hopped in her little car and went without hesitation. I always loved times like those. I really thought we'd both live well into our 90s and we'd still be making crazy, spontaneous decisions together. And we'd meet up for coffee every 5 years at Cracker Barrel and talk like no time had passed. Truly unbelievable that she has left us too soon.... Crissy

*Rob, Jordan and family,
I'm very sorry for your loss. May God comfort you with peace in your heart and bless you with beautiful memories. I worked with Heidi at Nicor Gas. Heidi was very dedicated in everything she did, smart, so kind, she was the sweetest girl, so fun to be around, I can hear her laughter. Very sad and too soon. I take peace that her suffering was not prolonged. Heidi, you will be greatly missed by many. My Deepest Condolences, Kristy*

“ I worked with Heidi in the Environmental Health & Safety dept at Nicor Gas. We sat next to each other for 4 years. Heidi had the biggest heart and would do anything for anyone. She put 110% into everything she did. If I was having trouble getting something to work, she and I could usually put our heads together and figure it out:). She talked about her family all the time - it was very clear how much she loved them all and how devoted she was all of her loved ones. I always admired her tenacity and her dedication. Heidi, you will be missed! Sending many prayers to all of her family...

“ Sending my condolences to Heidi's entire family. She was a very sweet, kind and giving person. Even though I hadn't seen her in many years I remember her from our high school days. Seems so strange to be writing this for her today, she will be deeply missed. My prayers and love go out to her family through this very tough time. My God's healing hands comfort you and hold you and keep you all strong.
