“ With sadness, we have lost a very special person, Aunt Helen. Being raised and residing in California I missed alot of family time. Fortunately in recent years I got to visit the family getting acquainted with my cousins and spending some time with Aunt Helen and Uncle Howard. I will miss her phone calls a lot.

“ I loved my grandma Burton. She was very sweet and I was always excited to go see her and ride my four wheeler with my father and enjoyed every Christmas and Thanksgiving and Easter with her and tagging along to go to church. Rest in peace grandma.

“ Helen was a beautiful, strong, and loving woman! She will be missed dearly. Countless memories of time at the Burton Farm with her and the family. From "breaking bread" around the dinner table to picking sweat corn, playing baseball, fishing, or lounging down at the "timber," Helen was always very welcoming, giving and engaging. She loved cooking and serving up a good meal for all. Her Sunday meals truly were, like Thanksgiving over and over. Helen was beautiful inside, and out. I will miss her dearly. My prayers and thoughts are with the family. Michael Smith

“ She was the best Grandmother you could ask for to all of us. She took us sledding, biking, camping and to the beach, etc. She was always up for an adventure even later in her life. I will always remember our trip to Branson and the Tennessee mountains.
