“ Jean was a sweetheart of a person. She always had a positive outlook on everything and I loved her. I followed her working in the gift shop. She always had baked and left for me. I never had anything I didn't like that she made. She gave me tips on good books to read. Seeing her Wednesday at the Gift Shop luncheon to celebrate our new opening, she looked happy as always. Then she worked her shift of noon till 3pm. One would never know if she wasn't feeling well. Will dearly miss her. I'm still in shock but thankful she didn't suffer and was doing what she enjoyed until our Lord called her home.
