“ I am so sorry to hear about John. I only knew him a very short time (I am one of Angela's teacher at kindercare) but I could tell right away what a great husband, father and person he was. The very first time I met him he told me how he wanted to get the baby a t-shirt but mom wouldn't allow it. Diana I hope you know the one I'm talking about. Another thing that really touched me about John was the way he would come in to get Angela and if she was upset he would just have to sing to her. The love he had for her was seen and will never be forgotten. Thoughts and prayers going out the Johns entire family !
