“ Loved watching the birds with Dad. Couldn't believe the very hot day he & Jim walked down the path to the river. He couldn't make it back up. Pontiac fire & rescue came out and got him up the steps with some kind of contraption. He had to have been 97 or 98. An EMT took his vitals, stepped back and smiled and said "He's as healthy as me!" Asked him if he wanted a drink (thinking water) and he said "Yeah, I'd take a glass of wine." What a guy.

“ *Things I will always remember: Cheetos and beer. Big jug of wine. No shirt. Sunflowers. Bike riding. I loved watching Grandpa and Nona wash dishes on Sunday. Grandpa was always in a good mood. I will always love him.* ”
